

Break From Summer Heat

There is nothing like a dip in the water to cool of the summer heat. FMA will have a nice Wading Pool and "Water Sprinklers" on premises to allow children to take a dip, while play under the supervision of Teachers and Caregivers. The children can have fun along with their friends in water.

Come Join Us For Summer

We have lots of activities and entertainment planned. We are looking forward to your child being part of it. FMA is committed to providing an "Unforgettable & Enjoyable" summer experience.

Break From The Routine

Special activities such as Pajama day, Cooking, Baking, Gardening and Movie day will be organized that will provide a different activity and entertainment to your children

Field Trips

Elementary School children will go on Field Trips to the Bowling Alley, Library, Picnic at the Park, Movies and Yogurtville.

Summer Program

Summer Program Objective

Fort Montessori Academy's Summer Program is held during the months of June and July, primarily for children ages 18 months to 12 years. Our summer program focuses on providing education based "Enrichment Activities" and fun filled entertainment, provided right within our premises. Elementary School children also enjoy local field trips.

Highlights

- Daily Enrichment Activities includes extended Montessori Education with focus on Math & Reading.
- For Elementary Schoolers – Activities include Math & Reading Focus, Power Point Wiz, Nana's Bakery, Animal Time
- Daily Entertainment provided on premises include: "Inhouse Pump it Up", "Yoga for the Mind", "Sing A Song Sing Along Music", "Organized Board Games", "Picnic Time", "Creative Craft"
 - For a break from summer heat we will have a "Wading Pool" and "Toy based sprinklers".
 - For a break from the routine we will have "Cooking, Baking, Gardening, Pajama Day and Movie Day.
 - Field Trips for Elementary Schoolers to the "Bowling Alley", "Library", "Picnic at the Park", "Movies" and "Yogurtville"

Enrichment Activities

Fort Montessori Academy believes in "Balance" – too much or too little of something is NOT good. Our Summer program believes that children need a break and summer is the perfect time. However at the same time we would like to use a little of this time to strengthen key areas of academics, such as Math and Reading that will give your child the extra edge when school starts in Fall. Typically in the morning hours when your child arrives from home, Teachers at FMA will focus on academics for at least two hours.

Elementary Schoolers Projects

Elementary School children will work on a Project each week and with a specific end product in mind

PowerPoint Wiz – learn to research a topic, make notes, learn the basics of PowerPoint, and put together a PowerPoint Presentation which they will present to the class.

Art of Scrapbooking and Wacky Colors – learn the fundamentals, develop a theme. Learn use of tools, colors, concepts, and ideas. Develop a scrapbook/canvas coloring sheet.

Baking & Garden projects are fun and children learn while they enjoy the activity

Daily Entertainment

FMA will ensure children are thoroughly entertained, and exhausted when they come home. Some of the entertainment activities we have planned are:

Inhouse Pump it Up – FMA has tied up with "Pump it Up" and "Jump & Play" companies to bring their equipment in house so that Children can jump and play while beating the summer heat and having fun.

Popcorn & Movie – Cartoons and Kids Movies will be screened on premises for children of appropriate ages.

Swimming – FMA has tied up with local swimming pools to take Elementary School children for a swim.
